EDUCATION HISTORY

Higher Diploma in Infocomm Technology

TMC Academy, Singapore

- High Distinctions in All Subjects
- Feb 2023 - May 2024

EXPERIENCE

Academic Project

University of Sam (UOS)

Created a user-friendly, responsive university website with staff and student portals using HTML, CSS, JavaScript, PHP, Bootstrap, and DataTables API. This project enhanced my coordination and project management skills.

Guide Teacher (Freelance)

June 2017 - Present

- *Assist and mentor matriculation students*
- *Revise their studies*

English Language Teacher (Future Stars, Yangon)

Oct 2022 - June 2024

- *Developed strong organizational and communication skills through lesson planning and classroom management.*
